

1023 Connector Line for Precision Video Cables

White Sands Engineering 1.0/2.3 DIN connectors were specifically designed for the broadcast industry, where high density routers are commonly used and space is limited. They feature a one-piece design for fast, reliable assembly with no parts to lose.

Part Number	Description	Strip	Crimp
1.0/2.3FPB	Plug for Mini RG59	1/4" x 1/8" CPT7538125	.213" ACT483
1.0/2.3FPB90	Right Angle Plug for Mini RG59	1/4" x 1/8" CPT7538125	.213" ACT483
1.0/2.3FPF	Jack for Mini RG59 (bulkhead)	1/4" x 1/8" CPT7538125	.213" ACT483
1.0/2.3FPB1694	Plug for RG6 (1694A type)	1/4" x 1/4" CPT6590	.324" ACT986
1.0/2.3FPB1505	Plug for RG6 (1505A type)	1/4" x 1/4" CPT6590	.324" ACT986
1.0/2.3FPB179	Plug for 179DT Cable	1/4" x 1/4" Corex 2	.213" ACT483

The 10REMTOOL allows for easy removal of 1023 connectors from high density backplanes.
